

Small Group Questions for the week of 7/26/26

Mark 8:1-26

1. Less than 2 chapters back Mark reported the feeding of the 5,000. Now we get the feeding of the 4,000. Besides the fact that a similar miracle happened twice, what practical reasons can you see for reporting an almost identical account?
2. Jesus sees something that moves him to compassion. What do you see in our world that moves you like that? What can you/we do in response?
3. Can you think of something in your personal life or in the life of Little Church where there simply does not seem to be enough?
4. What do you think causes Jesus to “sigh deeply” today?
5. Jesus warns his disciples to watch out for the skepticism and unbelief of the Pharisees. What might Jesus be warning us about today?
6. Twice Jesus asks his followers, “Do you still not understand?” (vs. 17 & 21). What don’t they understand?
7. Have you ever experienced a multi-step process with the Lord.
