

That a people not yet created may praise the LORD
(Psalm 102:18b)

Our Campaign Begins!

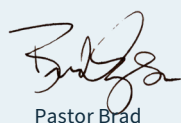

On Sunday, September 7, during worship, we officially launched our Capital Stewardship Campaign: Little Church with a Big Future.

Over the next three months, we will journey together in both participation and giving. This campaign will provide funding for the first phases of our church campus redevelopment. Our immediate focus is to build a new worship and fellowship space that is safe, accessible, and designed to help us live out our mission: "Make Disciples, Grow Disciples, and Share the love of Jesus with all people."

But this campaign is about more than finances. It is an opportunity to grow deeper in God's heart and love as we honor the legacy entrusted to us, invest in the future of The Little Church, and create a stronger faith home for generations to come.

Plan now to take part in this exciting season in the life of our church!

Commitment Sunday

Why is this campaign so important?

For the past 86 years, the people of Little Church on the Prairie have discerned and followed God's dream to be a place of welcome, worship, spiritual growth and service in God's name for all people. This campaign honors the commitment of those who have provided for our church over the generations and ensures a bright future for our congregation, our community and our vital ministry programs.

This is our opportunity to invest in the future of our church so that we can continue to extend the reach of God's love in our community for generations to come so that "a people not yet created may praise the Lord" (Psalm 102:18b).

We have the privilege and opportunity to further the legacy of The Little Church, celebrate the abundance God places in our lives and carry forward God's vision for us.

Join a Small-Group Gathering!

As part of our "Little Church with a Big Future" campaign, we are hosting a series of small-group get-togethers. These gatherings give you the opportunity to learn more about the plans and purposes of our capital campaign.

During the month of October, you can choose from a variety of times and locations. Each gathering offers a chance to connect with others, hear the latest updates on our campaign projects, and ask
